

PROSOCIAL is a software platform that connects Spiritual Seekers with Spiritual Leaders via livestream technology.

HOW DOES IT WORK?

Leaders run interactive sessions on the platform at predetermined dates and times that work for the Leader.

Seekers join sessions to listen, ask questions and engage with the Leader.

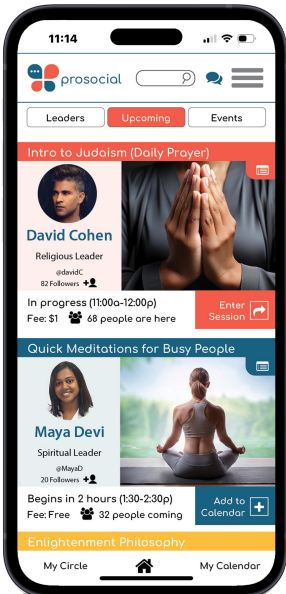

WHAT DO LEADERS TALK ABOUT?

A **Session** is about any topic of interest to the Leader.

Generally a Leader talks about **ideas** and **practices** that help the Seeker learn about the Leader's approach to religion, spirituality or their worldview.

HOW DO SEEKERS FIND OUT ABOUT A LEADER'S SESSION?

ProSocial advertises a Leader's session (for free) on the **content feed** of Seekers whose interests align with the Leader's offerings.

WHY BECOME A LEADER? WHAT'S IN IT FOR ME?

As a **Leader** on ProSocial, you will have the opportunity to spread your message to hundreds or thousands of Seekers.

The **Seekers** who attend your sessions are encouraged to donate tips or pay an entrance fee (or both).

HOW MUCH OF THE DONATIONS/FEEES DO I KEEP?

It depends on your **Leader Plan**, but generally the Leader retains **80%** of the earnings.

DO I QUALIFY AS A LEADER?

RELIGIOUS LEADER

Identifies with a particular **religious tradition** and will be teaching primarily out of that tradition (*clerics, rabbis, imams, pastors, priests, etc.*)

SPIRITUAL LEADER

Part of a **spiritual movement** that lacks an organizing body (*Wicca, Thelema, Druidism, etc.*) or represents a conglomeration of various religious and spiritual traditions

THOUGHT LEADER

Works out of a secular **philosophical movement or worldview** (*academics, counselors, life coaches, etc.*)

If you fall into one of these three categories and have content you would like to share on the platform, then you should consider becoming a Leader.
